SURFACE SELECTION

LEATHER

Please note that leather is a natural material with natural variation in colour and surface structure. The presence of scars and marks from bites etc. on the leather may occur and are characteristics of genuine leather.

CUSTOMER'S OWN LEATHER (COL)

Customers can supply their own leather. Prices excluding leather as well as leather requirements can be given on inquiry. Please note that only very few types of leather/qualities are suitable. Fritz Hansen retains the right to reject the qualities we find unsuitable.

SPECIAL LEATHER COLOURS

On inquiry and at a surcharge, special leather colours may be available for the models available with leather upholstery.

PK23™ POUL KJÆRHOLM 1954

01.2026

The PK23™ chair is available in two versions: laminated veneer shells non-upholstered or with front upholstery for a softened expression and enhanced comfort. Both versions are available in black-painted ash, walnut, or oak veneer. A double bracket connector detail elegantly bridges the backrest divide. The base comes in stainless steel for all shell types, or in black powder-coated steel exclusively for the black-painted ash version.

FRONT UPHOLSTERED
